

Auryn and Eastmain Securityholders Overwhelmingly Approve the Auryn Reorganization and Eastmain Acquisition

Vancouver & Toronto, Canada – October 5, 2020 – Auryn Resources Inc. (TSX: AUG, NYSE American: AUG) (“**Auryn**”) and Eastmain Resources Inc. (TSX: ER) (“**Eastmain**”) are pleased to jointly announce that securityholders of both companies voted today at special meetings to approve their respective plans of arrangement pursuant to which Auryn will spin out its Peruvian assets and immediately thereafter acquire Eastmain (the “**Transaction**”). Voting support for the Transaction was in excess of **99%** of the securities voted for each Company. Shareholder participation was **63.97%** for Auryn and **40.03%** for Eastmain. The remaining principal condition to the completion of the Transaction is obtaining the final orders of the British Columbia Supreme Court and Ontario Superior Court of Justice at hearings which are scheduled for October 7, 2020.

Pursuant to the Transaction, Auryn will acquire Eastmain after spinning out its Peruvian assets into two new companies and distributing the shares of those new companies to Auryn’s shareholders. The Transaction will also create Fury Gold Mines Limited (“**Fury Gold**”), a leading developer of Canadian gold projects.

A Message from Ivan Bebek, Executive Chairman & Director of Auryn:

“On behalf of the board and team at Auryn, I would like to thank all our securityholders for support of our plan to create three significant opportunities to unlock considerable value across our portfolio of high-quality projects. The three companies will offer premier growth and exploration opportunities in gold, copper and silver as we head into a robust commodity market.”

A Message from Blair Schultz, Interim President & CEO of Eastmain:

“The Eastmain management and board would like to thank our shareholders for their support. We are excited to create Fury Gold Mines and eager for this future developer to establish itself as a premier Canadian focused mining company.”

About Auryn

Auryn Resources Inc. is a technically-driven, well-financed junior exploration company focused on finding and advancing globally significant precious and base metal deposits. Auryn built a portfolio of six projects in Canada and Peru containing gold, silver and copper resources and exploration targets. On July 29, 2020, Auryn announced its intention to spin out its Peruvian assets into two new companies and acquire Eastmain, creating a Canadian gold-focused exploration and development company to be renamed as Fury Gold Mines Limited. Auryn's two flagship Canadian properties are the Committee Bay gold project in Nunavut and Homestake gold project in British Columbia for which an amended preliminary economic assessment was filed effective June 24, 2020. Upon closing of the Transaction, Fury Gold's three core assets will comprise of Eau Claire in Quebec, Committee Bay and Homestake Ridge. Auryn shareholders, invested prior to the completion of the Transaction, will become shareholders of Fury Gold and will also receive shares in the two new Canadian spin out companies, one holding the Sombrero copper-gold project, and the other holding both the Curibaya silver-gold project and Huilacollo gold project. Auryn's technical and management teams have an impressive track-record of successfully monetizing assets for all stakeholders and local communities in which it operates. Auryn conducts itself to the highest standards of corporate governance and sustainability. For more information on Auryn and the Transaction, please visit www.aurynresources.com.

About Eastmain

Eastmain is a Canadian exploration company operating in the Eeyou Istchee emerging James Bay gold camp in Québec. Eastmain holds a 100%-interest in the Clearwater Property, host of the Eau Claire Project, for which it issued a Preliminary Economic Assessment in May 2018, and the Percival Discovery made in November 2018. Eastmain is also the operator of the Éléonore South Joint Venture, located immediately south of Newmont's Éléonore Mine, which hosts the Moni/Contact Trend Discovery (2017).
